

Attention 3000GT & Stealth Owners!

Wisconsin 3000GT Stealth International is an organization that was developed for 3000GT and Stealth owners and enthusiasts across Wisconsin.

W3SI's mission is to assemble and organize a premier club of 3/S owners and enthusiasts and provide a portal where you can find valuable resources, including:

- A means of contact with local Wisconsin owners
- A central location of resources concerning the 3/S platform
- Instructions and procedures for do-it-yourself car diagnostics and repairs
- Links to repair shops, parts suppliers and *experienced* tuners
- Information regarding performance upgrades
- Details about upcoming events and gatherings where you can meet other 3/S owners from around the state

Membership is **FREE**. Sign up today at www.w3si.org.
We look forward to seeing *you* there!
